P R E F A C E

The Geographical Branch is responsible for preparing an annual bibliography of books, pamphlets and periodical literature relating to Canadian geography, for submission to the Bibliographie Géographique Internationale. The latter bibliography is published in France under the auspices of the International Geographical Union with the concurrence of UNESCO and the French National Centre for Scientific Research.

The present volume was prepared by the Library of the Geographical Branch.

J.D. Ives,
Director,
Geographical Branch.

La Direction de la géographie apporte son concours annuel à la compilation de la Bibliographie Géographique Internationale par la préparation d'une bibliographie de livres et de périodiques se rapportant à la géographie du Canada. Cette bibliographie est publiée en France sous les auspices de l'Union Géographique Internationale avec le concours de L'UNESCO et du Centre National de la Recherche Scientifique.

Le présent ouvrage a été compilé par la Division de la documentation de la Direction de la géographie.

J.D. Ives,
Directeur,
Direction de la géographie.
